VOL. 10 NO. 17 WEDNESDAY, JUNE 4, 1969 10¢ PER COPY

With little advance organization, the students who staged a walk-out at Paul Kane High school Wednesday morning in protest against the alleged firing of three popular teachers, were surprised at the enthusiastic support of nearly the whole student body.

Students stage walk-out

Students at Paul Kane had been unhappy over the past few weeks over the fact that four popular teachers were going to be leaving. Mr. Walker, Mrs. D. Helmers, and Mr. Fairburn and Mrs. Lien. They discovered Mrs. Lien was leaving for personal reasons but felt the other three had been fired by the School Board. Talking it over in groups here and there many felt they would like to do something about it.

There was no highly organized move to organize a big protest. However, the word got around that a walk out would go Wednesday morning. A few students were posted at the entrance doors to let everyone know and the kids themselves were actually surprised when an estimated 80% or more joined in a march to the Separate School Board offices on Winston Churchill Avenue, shortly after 9 a.m.

They wanted an explanation why the three teachers had been fired and asked the superintendent J. W. Chalmers to give them the reasons. Mr. Chalmers agreed to speak to a small group selected by the students. Mr. Chalmers informed this group of seven that Mr. Walker had been asked to leave. He also said he felt that Mr. Fairburn and Mrs. Helmers had been pressured by the board to resign. The seven students chosen to talk to Mr. Chalmers were: Fergie Evans, Marg. Laird, Jeff Armstrong, Chris Soder, Sid Al-

lan, pres, students union; Rick Bauman and Steve Harvath.

Mr. Chalmers told the students they would be given the opportunity to present their questions to the board prior to the board meeting next Wednesday, (June 11th). Superintendent Chalmers resignation effective June 30th was given to the board earlier this year.

The committee reported on their interview to the main body of students who decided not to return to classes today. Quite a number stayed around the school for a while talking things over with various of their teachers. Others cut out and plans for a day at the beach and similar activities were overheard.

Interviewing a group of about nine boys and girls the Gazette reporter asked them "How many of you gave these three teachers your full support over this past year - completed all assignments etc.?"

back with such comments as "Mr. Fairburns chemistry class has a real high class average!" "Mr. Walker's English class is doing great" "Mrs. Helmers only teaches a little English as she is our librarian - but she majored in biology!"

"The thing is", they said "that there is a real good student - teacher relationship with these teachers". And that's what you have to have if you're going to learn anything". Some of the boys felt the men were let go because "they would not conform". "Mr. Walker wore a scarf instead of a tie sometimes". "Mr. Fairburn wore his hair long".

At any rate the entire high school has been invited to sit in on a meeting with the school board next Wednesday and perhaps another side of the story will emerge.

The St. Albert Protestant Separate School District has come up empty in its search for a successor for Superintendent Dr. J. W. Chalmers.

Board Chairman Charles Schroder said Tuesday night that the board had screened 22 applications but had not found the man it wanted.

He said the search would probably not be resumed in

full until September.

"There is an assistant superintendent coming up in Edmonton soon," he said, "so we will probably wait and see what happens there. A lot of top men will be holding back until after it is filled."

Mr. Schroder said Dr. Chalmers would be leaving his position at the end of June although he would re-

main on the payroll until the end of July through holidays.

He said the board didn't anticipate any problems operating without a superintendent. He said a senior supervisor would handle the job with the aid of an administrative council.

"With the staff we have," Mr. Schroder said, "there will be no problem maintaining our programs."

Mr. Schroder said teacher staffing could have been a problem during the summer but it was under control.

"There has been a tremendous response and all our positions have been filled," he said. "If we had known early enough how many resignations we would have by June 15, we could have filled them all by April 15."

He said about 42 new teachers would be on the district's staff when school opened in the fall.

Dr. Chalmers and the board came to a parting of the minds over the past year and Dr. Chalmers submitted his resignation about three months ago. He has accepted a position with the faculty of education at the University of Alberta.

Sturgeon auxiliary sets meeting

The Ladies Auxiliary to the Sturgeon General Hospital will hold its first meeting in the Youville Home on Wednesday, June 11, at 8 p.m.

Anyone interested is invited to attend.

The auxiliary is seeking nominations of French-speaking residents of the Riviere Qui Parle, Morinville, Legal and Vimy areas for positions on the executive.

The auxiliary, formed only last week, is operating under a steering committee of which Mrs. Robert Varner is president.

Town wants out from under LAB

The Town of St. Albert is planning to apply to the Local Authorities Board to come out from under its control.

The town received a letter from the board early last week stating that after submission of the 1969 estimates of revenue and capital expenditures, the town would be eligible to make application to the board to come out from under its control.

Council decided the town should do so at the first opportunity moment.

Council completed ap-

proval of the capital estimates at a special meeting Wednesday night.

Council authorized Secretary-Treasurer, D. R. O'Connell to analyze the school boards' requisitions and report back to council. Council has been attempting to decide whether to appeal the requisitions which forced the mill rate up to 80 from 78.

Mr. O'Connell informed council that the equalized assessment for 1969 is - \$14,934,773. Council voted to appeal.

Achievement night set at Paul Kane

It will be Achievement Night at Paul Kane High School from 7:30 to 9:30 Thursday.

The school will attempt to show a sampling of the learning experiences from various classes throughout the year.

inspection

St. Albert Air Cadets will be all spilt and polish Thursday night.

Squadron 533 will be undergoing its annual inspection at 7:15 p.m. on the St. Albert High School grounds.

Classes which were held in the first semester only will not be displaying work and as this includes the fabrics and dress class, there will be no fashion show this year.

Displays will be set up throughout the school. There will be an art display highlighting the bottom floor and on the upper floor a home economics class will provide a food demonstration and Vic Post's Canadian prize-winning Science Fair project, a communications laser, will be on display.

Everyone is welcome.

Minor baseball

Angels and Red Sox were deadlocked atop the Grandin Park League in Little Canadian baseball action in St. Albert in games played up to and including May 28.

Each had suffered one loss, the Angels falling to the third-place White Sox and the Red Sox falling to the Angels.

In the Sturgeon League it is a three-way fight between the Senators, Pirates and Braves.

The Senators have split with the Pirates, winning 8-6 and losing 18-3, and have a 10-9 win over the Braves. The Pirates defeated the Braves 13-12 and a 7-7 tie between the two clubs has yet to be played off.

In action Monday, not included in the standings, the Braves defeated the Senators 9-4 and the Pirates downed the Yankees 25-2.

In the Mission League Cubs and Astros were deadlocked, each with five wins and a loss, in games up to and including May 25.

Astros defeated Cubs in the opening game of the season and the Cubs later returned the compliment.

St. Albert High wins tennis meet

St. Albert High School for the second consecutive year won the challenge match

sponsored by the tennis club in action at the courts Sunday.

St. Albert High won the girls singles, girls doubles and mixed doubles events while Paul Kane won the boys singles and boys doubles events. Scores were as follows:

Bernice Parsons and Barb Faryna defeated Lynn Hopkins and Liz Bowen 6-0, 5-0; Moira McLoughlin from St. Albert High won the girls singles by default, Dave Almond of Paul Kane won over Philip Parsons 6-4, 6-3; while Doug Kane and Bert Lansink defeated Dennis Dalphond and Don Kennedy 6-4, 6-4.

Victory for either school then hinged on the last match of the day, the mixed doubles and spectators gathered to watch the play. St. Albert High's team of Roberta Parsons and Conrad Senuk emerged the winners, defeating Margaret Laird and Les Martin 6-3, 6-3.

The calibre of play among the high school players appears to be considerably higher than last year, reflecting the increased interest in tennis among the teens. The boys singles was particularly outstanding - with many brilliant serves and rallies.

President Judy Wood was on hand to present the trophy (donated by the club) to St. Albert High School.

Lose

10 lbs. in
10 days on
Grapefruit

Diet

HOLLYWOOD, CALIF.

(Special) — This is the revolutionary grapefruit diet that everyone is suddenly talking about. Literally thousands upon thousands of copies have been passed from hand to hand in factories, plants and offices throughout the U.S. and Canada.

Word of its success has spread like wildfire. Because this diet that really works. We have testimonials in our files reporting on the success of this diet. If you follow it exactly, you should lose 10 pounds in 10 days. There will be no weight loss in the first four days. But you will suddenly drop 5 pounds on the 5th day. Thereafter you will lose one pound a day until the 10th day. Then you will lose 1½ pounds every two days until you get down to your proper weight. Best of all, there will be no hunger pangs. Now revised and enlarged, this new diet plan which you stuff yourself with foods that were formerly "forbidden" such as big steaks trimmed with fat, roast or fried chicken, rich gravies, macaroni, lobster swimming in butter, bacon, ribs, sausages and scrambled eggs. You can eat until you are full until you cannot possibly eat any more. And still lose 10 pounds in the first ten days. Thereafter you will lose 1½ pounds every two days until your weight is down to normal. The secret behind this new "quick weight loss" diet is simple. Fat does not burn fat. And the grapefruit juice in this new diet acts as a catalyst (the "trigger") to start the fat burning process. You stuff yourself on the permitted food listed in the diet plan, and still lose unsightly fat and excess body fluids. When the fat and bloat are gone you will cease to be overweight and your weight will remain constant. A copy of this new and startlingly successful diet plan can be obtained by sending \$2 to GRAPEFRUIT DIET PUBLISHER, 1213 Premier Way, Calgary, Alberta. Money-back guarantee. After trying the diet plan you have not lost 3 pounds in the first seven days, and 1½ pounds every two days thereafter, simply return the diet plan and your \$2 will be refunded, promptly and without argument. Tear out this message as a reminder. Decide now to regain the trim, attractive figure of your youth, while enjoying hearty, fast, lunches and dinners.

Moms show sons how to play ball

Take hockey sticks and skates away from the St. Albert Fire Department Pee wee Hockey Team and outfit them with baseball gloves and bats and what have you got? a pee wee hockey team.

This was pretty well proven Saturday night when the boys took on their mothers in a fastball game at Lions Park.

Fire Department rolled up an early lead but the moms finally found the range and batting around three times in one inning, scored a 21-12 victory.

The game was part of the party. The players presented festivities at the team's 'ted coach Doug Millroy with annual wind-up hot-dog a set of glasses.

Father Jan School holds track meet

Lions won the Tabloid Track Meet held at Father Jan School on Wednesday, May 28 with a total of 390 points.

Buffaloes and Eagles tied for second with 378 points; Tigers collected 340 points and Beavers got 327 points. Individual crest winners were:

Boys - 6 and 7 years of age, Leonard Cloutier; 8 and 9 years of age, Donald Rice; 11 years of age, Chris Krupa, 12 and over, Jackie Werblecki. Girls - 6 and 7 years of age, Michelle Gaucher; 8 and 9 years of age, Kathie

Kamper; 10 years of age, Mary Anne Brenner; 11 years of age, Kim Bittman; 12 and over, Julie Lesburg.

A little bit of rain and hail did not mar the competitions nor the enthusiasm of the children.

Boys and girls competed against each other as well as against set standards. Events included races, high jump, running long jump, standing long jump, ball throw, bean bag throw, and an obstacle race.

Feature attraction of the day was the hot dog stand.

Council approves road program

MD Sturgeon Council dealt with five requests regarding dust control at their May meeting and then passed a motion that the entire dust control problem be referred to the public works committee for study. They will then bring in recommendations to aid council in establishing an overall policy to handle the situation throughout the district.

Mr. Stack, superintendent of public works reported that cost of road maintenance for the first four months of 1969 was \$17,637.50. Twenty-five men are on the department's work force and in mid May all heavy equipment was employed in area two.

The assistant district engineer from the department of highways was interviewed by council on the matter of road and natural resources grants. Road grants are \$77,950, plus the

municipal share of \$25,983 for a total road budget of \$103,933. Under the articles of agreement 5 1/2 miles will be regravelled and 7 miles reggraded for this sum.

Six road projects will be undertaken as follows:

- 1) From the NE corner of the NE 32-54-27-4 south four miles reggrading and regravelling - \$48,000.
- 2) From the NE corner of the NE 12-58-24-4 south

- 12 miles regravelling \$12,000.
- 3) From the NE corner of the NE 21-57-26-4 south 10 miles regravelling \$10,000.
- 4) From the NE corner of the NE 8-56-25-4 west 8 miles reg gravel - \$8,000.
- 5) From the NE corner of NE 22-56-23-4 east 8 and 1/2 miles reg gravel \$8,500.
- 6) From the NE corner

Morinville readies for frontier Daze

The Morinville Frontier Daze and Recreation grounds are humming with activities as workers are preparing buildings for the big Frontier Daze on June 28 and 29.

Volunteer workers are anxious to complete the bathroom facilities and a new building to house the games.

Another exciting event is being planned for all car enthusiasts - that is a Car Demolition Derby. Harvey Vranas and Maurice Rousseau are taking entries. Events are scheduled for Saturday and Sunday afternoons. Deadline for all entries is June 25 with an entry fee of \$5.

First prize will be \$75 with a \$25 second prize. Rules for the race are as follows: driver must wear

crash helmet and seat belt, no glass on cars, cannot hit on driver's door, gears low and reverse, doors tied shut, no reinforcement, car inspected before race, obey all flags, driver must sign waiver claim.

A Photo Bug Contest will also be held following Frontier Daze. All photos from every phase of Frontier Daze are requested to be sent to P. R. Brochu before July 31 for judging.

Home decorating forms are now available from Pauline Cormier.

Entertainment on the Bandshell will feature Western and pop music, songs, dancing and other varied numbers. A portable stage will be used to provide entertainment during the dinner hours.

Public Notice M.D. STURGEON NO. 90

TAKE NOTICE that the Council of the Municipal District of Sturgeon No. 90 in the Province of Alberta, has given first reading to money By-Law No. 95-69 which will, on final approval and ratification, authorize Council to borrow monies by way of debenture, to pay for the Municipality's share of the cost of the proposed "Northeast Water Supply Line" to serve the County of Strathcona No. 20, Town of Fort Saskatchewan, The Municipal District of Sturgeon No. 90, The County of Thorold No. 7 and the Town of Redwater, the said line being partly within and partly without its Municipal limits.

The estimated total cost of the aforesaid project amounts to Two Million and Seventy-Eight Thousand (\$2,078,000.00) Dollars. This cost is to be borne by the five contributing Municipalities herein on a basis of one-fifth (1/5) each after deducting from this total cost an amount of approximately Twenty (20) per cent or Four Hundred and Three Thousand (\$403,000.00) Dollars which amount the Government of the Province of Alberta, through its Department of Public Works has agreed to defer the collection from the said Municipalities for a period of time to be determined by negotiation between the Department and the Municipalities, so as to permit the said Municipalities sufficient time to operate the said water transmission pipeline at a profit; provided that when the said twenty (20) per cent of the cost of construction becomes due and payable by the said Municipalities to the Department of Public Works, it shall be repayable with interest thereon at the then current rate being charged by the Alberta Municipal Finance Corporation from the end of the calendar year in which the said water transmission pipeline first operates at a profit.

The net amount to be borrowed on the credit and security of the Municipal District of Sturgeon No. 90, at large by the issue of debentures is Three-Hundred and Thirty-Five Thousand (\$335,000.00) Dollars. The debentures are to be repayable to the bearer in Twenty-Five (25) equal consecutive annual instalments of combined principal and interest, the interest not to exceed a rate of more than eight (8) per centum per annum.

NOTICE THEREFORE is hereby given by the Council of the Municipal District of Sturgeon No. 90, that, unless a poll of the proprietary electors for and against the said debenture borrowing is demanded, as provided for by the terms of the Municipal Government Act, the said Council may pass the said By-law and submit it to the Local Authorities Board for final ratification and certification that a vote of the proprietary electors thereon is not required.

OF WHICH all persons interested are hereby notified and they are required to govern themselves accordingly.

NOTICE TO PROPRIETARY ELECTORS

Proprietary elector means an elector whose name appears on the assessment roll in respect of land liable to assessment and taxation for general Municipal purposes.

Five per cent (5%) of the proprietary electors may by petition request a vote on a Money By-Law under the provisions of Sections 311 and 7 of the Municipal Government Act.

1. The petition must be received by the Municipal Secretary within (15) Fifteen days of the last publication of this notice and shall contain on each page an accurate and identical statement of the purpose and objectives of the petition.
2. Each signature to the petition shall be witnessed by an adult person who shall take an Affidavit that to the best of his belief the persons whose signatures he had witnessed are qualified to vote at a general election.
3. There shall be set out opposite each signature on the petition;
 - (a) the legal description of the property or other qualifications entitling that person to be a proprietary elector,
 - (b) the address of the petitioner,
 - (c) the occupation of the petitioner,
4. A corporation or a religious organization, the name of which appears on the last revised assessment roll as the owner, conditional owner or purchaser of land that is not exempt from taxation, may in writing authorize a resident representative to sign a petition on behalf of the corporation or religious organization.
5. The petition shall be filed with the municipal secretary who shall, in accordance with the Act, compute the number of petitioners that have signed the petition and determine the sufficiency thereof.
6. Every petition shall have attached to it assigned statement of a person whose name appears upon the petition, stating that he represents the petitioners and that he is the person to whom the municipality may direct any enquiries with regard to the petition.
7. No name shall be removed from the petition after it has been received by the municipal secretary.
8. The date of the last publication of this Notice is June 4, 1969.

NOTE: If on receipt of a valid and sufficient petition the Council decides not to proceed with the by-law, a vote of the proprietary electors need not be held.

Morinville Memos

The Morinville Companies of Guides and Brownies will hold their first annual mother and daughter banquet in the Morinville Legion Hall at 6:30 p.m. on Friday, June 6.

All mothers are reminded to bring two dishes of food, a main dish and a dessert or salad.

\$120.50 less
than last year's Impala
comparably equipped.

Now more car really does cost less.

Normally, you expect to pay more to get more. So you'd naturally expect Canada's favourite car, Impala, to cost more than a '68 Impala with the same equipment. Well... the price spiral stops right here.

Like an example? Take our Impala Custom Coupe, equipped with a 300-hp Turbo-Fire V8, power front disc brakes, Turbo Hydra-matic transmission, head restraints, whitewalls and wheel covers. And we'll take \$120.50* off last year's price.

How come? Because this year we've cut the price on the 300 hp motor, the Turbo Hydra-matic transmission and the power disc... and we've made head restraints standard equipment. So you save a bundle.

And on top of all this, Impala's a better car this year. By now you should be getting the message: More car, less money.

And your Chevrolet dealer will be happy to prove it.

Water supply line promises aid for industrial growth

The Municipal District of Sturgeon is one of five municipalities participating in the Northeast Water Supply Line, a proposed pipeline project which will guarantee an adequate supply of good water for their industrial and commercial needs over the next 25 or more years. The other four participants are County Strathcona, Town Fort

Saskatchewan, County Thorhild and the Town of Redwater.

Cost of the 30-mile transmission line is 2 million and 78 thousand dollars, to be borne by the five municipalities at one-fifth each.

The project will not be a burden on the taxpayers. According to a feasibility study done by Associated Engineering Services Ltd., the pipeline will be self-liquidating in between five and seven years, on the basis of the present level of consumption. Net revenue from the line will also be shared equally by each of the five municipalities, regardless of where the consumers are located.

Money to build the water pipeline will be raised through debenture borrowing by the municipalities, repayable over 25 years in equal annual installments.

The project promises to be of considerable help to the municipalities in attracting industrial development. As things stood before an industrial firm wishing to locate in the area faced a costly expenditure to provide for its water needs.

The Northeast line, running through industrial park area will provide adequate water supply at reasonable cost to such firms and return a fair profit to the municipalities. Particularly in view of rising school costs the need for increased industrial activity becomes more vital each year, as all municipalities struggle with rising mill rates.

About one-third of the line will run within MD Sturgeon boundaries. Originating at a point on the line between Edmonton and the Strathcona reservoir, it will enter the district at a point near the Fort Saskatchewan bridge. It will run northeast along the Victoria trail, then along the Boydsdale road, crossing the Sturgeon River and proceeding along the CNR tracks to the Redwater fertilizer plant.

The line, under the approval of the provincial department of public works, will be administered by a board of members appointed from the five municipalities. It is expected it will be in operation by the fall of this year.

MD will host EIDA meeting

The Municipal District of Sturgeon will host a meeting of the Edmonton Area Industrial Development Association on June 9th at the Namao Airbase. It will be a noon dinner meeting with a guest speaker and following the meeting members and their special guests will be conducted on a tour of the supply depot and hangars.

The MD became a member of the association last year. EIDA embraces 11 areas surrounding the city of Edmonton who are working together to present the potential of the entire parkland area as highly attractive region for industrial development.

The 11 areas County Strathcona, County Leduc, Town Leduc, County Parkland, County Lac Ste Anne, County Thorhild, Town St. Albert, Town Fort Saskatchewan, Town Redwater and Town Stony Plain. The combined population is 86,000.

Each member is assessed on a per capita basis, working out to \$2,000 per year for MD Sturgeon. Walter Vande Walle was appointed to represent Sturgeon.

The Legallecho Choir under the direction of Nicole Cyr gave a concert in the auditorium recently. This group of young singers put in a number of hours every week practicing. Their efforts were well worthwhile because they delighted the audience with their variety program.

The local winners of the vocational poster and composition contest sponsored in Legal by the diocesan committee of the "Mouvement des Femmes Chrétiennes" were left to right, Carmen Nault, grade 2; Doris Auger, grade 7 and Patricia Montpetit, grade 6.

Council contracts for municipal paper

Arrangements were completed at the May meeting of MD Sturgeon Council to have the weekly newspaper "Exchange and Mart" distributed to their ratepayers under a contract with WEJ Publications. The motion was passed following recommendations brought in by the public relations committee, and members of this committee will work closely with the publisher in bringing municipal news to the readers. Chairman is Mr. George Wilson.

Exchange and Mart also goes under contract to the Villages of Legal, Bon Accord and Gibbons and to quite a number of district residents who are not ratepayers but have taken out subscriptions.

News items from every community and rural district within the MD boundaries are invited and may be sent to Exchange and Mart, Box 263, St. Albert. Reports of club activities, coming events, social gatherings, sport events, concerts, church activities and so on are most welcome and may be sent as rough notes for re-wording if preferred. Copy need not be typewritten, but in case the editor would like some additional information it would be appreciated if readers

would include their name and telephone number on copy.

It is the aim of both the municipal council and the publisher to provide people of the area with as broad a news coverage as possible on the topics most preferred.

Classified ads are charged at 65¢ for ten words with 5¢ per word over ten.

Cash should be sent with order to be in our hands by Tuesday morning of each week.

May we remind readers that letters to the editor cannot be published if copy does not bear the signature of the writer, although they may appear in the paper with a signature such as "Concerned" etcetera.

MD council briefs

Lettering on the office building will be changed from County of Sturgeon to Municipal District of Sturgeon #90 to conform with present status, as recommended by the public relations committee.

The public relations committee was requested to prepare a brochure advertising industrial areas within the municipality to include a map indicating industrial and park areas.

Building and moving permit was approved for Captain Edgar Vuk for two-year old house to be moved on to his property in Block 2.

Council was advised that the proposed nuisance ground area NW 31-55-23-4 had been posted under department of health regulations and that no objections

had been received by the municipal office.

Rental of M.D. carrypans at \$5 per day with fieldmen in charge was approved.

The Imperial Oil tender for supplying fuel, oil and grease to the M.D. was accepted for gasoline at 20.2¢ per gal.; Diesel oil at 14.8¢, Esso/Luko DS at 1.48 and Esso/Luko hds. at 1.39 per gal. A total of three tenders were received.

Dr. J. M. Howell of Sturgeon Health Unit will be invited to the next meeting of council to go over the unit's annual report with council.

Since the natural resources branch is not prepared to drain the Toane ditch, deposits made by farmers in the area will be refunded.

New school addition at Riviere Qui Barre

A new addition to the Camilla School at Riviere Qui Barre has been recently completed. The new addition includes seven classrooms, a new modern gymnasium with shower and locker facilities and other ancillary space.

Extensive renovations to the older part of the school have also been completed and the school now has a large modern carpeted library, a new administrative suite and an instructional area complete with stage for the performing arts.

With the new addition the school will accommodate more than 400 students. In the fall of this year, St. Charles School at Mearns will close and the pupils from this area will attend Camilla School.

The completion of the addition ties in with the Sturgeon School Division's plans of centralizing school facilities. When school opens in September, Camilla will be the only school in operation west of Mornville in the Sturgeon Division. As such it will provide education for the students of the Calahoo, Alcomdale, Mearns and Riviere Qui Barre areas as well as for a number of pupils from the Alexander Indian Reserve.

The official opening of the new addition is to be held on Thursday, June 12, at 8:30 p.m. Appropriate school opening ceremonies complete with entertainment provided by the students, has been arranged and the function is open to the general public.

MAYMIE KEANE

Legal's May Queen was crowned recently at a dance held in the auditorium. Maymie was crowned by last year's Queen, Mrs. Emilie Keane (Prelontaine).

Hospital will use new formula system

The Sturgeon General Hospital in St. Albert was the first in the Edmonton area to decide to adopt a new technique for handling baby formula. The Hospital Board and Administrator Mr. Townend, investigated the Beniflex disposable nurser system thoroughly and decided it provides the most efficient service from both the baby care and cost angles.

No auto-clave is needed for sterilizing, a capital saving of \$9,000, and neither are storage refrigerator

and bottle warmer required, a further saving of \$2,000 in equipment. And a real bonus for the board is the saving of a room in the new hospital formerly earmarked for preparation of formula and requiring sterile technique. The Beniflex system requires only a counter in the nursery. Space now made available will be put to use for serving trolleys to handle distribution of the

new nurser units to the mothers on the ward.

Here is how it works! The nurser, which replaces bottles, is filled directly from cans at room temperature by hose using syphon action. It is available in sizes from two ounces up to eight and the cone-shaped top holding the nipple is an integral part of the expanding pouch which holds the formula. It shuts off automatically when filled, eliminating measuring. From the time the unit is taken from the carton to be filled until it reaches baby's mouth, there is no contact whatsoever with the sterile nipple which is capped in such a manner that the mother removes the cap without touching the nipple. After use it is disposed of. Nipple may be adjusted to regulate the flow of milk as required. There is no washing and sterilizing of bottles, and of course dropped bottle accidents are also eliminated. Formula for every situation is available in the cans provided.

Complex procedures of washing and sterilizing nipples as well as bottles are unnecessary using the disposable Beniflex nurser. Formula flows directly from can to nurser and mistakes in mixing, such as use of wrong ingredients, cannot occur. Because of unique filling procedures and because nurser is used just once and discarded - bacteriological safety is enhanced. Chances of contamination and cross-infection are reduced.

When the mother leaves the hospital she is provided with a 48-hour supply ideal for travelling, and a list of where she may purchase the units. The safe and simple system reduces contamination hazards in hospital.

TENDERS

Tenders will be received by the undersigned for the sale of the Municipal District House located on main street in the Town of Morinville. The exterior is brick finish, two stories and the entire house has been redecorated recently. With the house are two 50 foot frontage lots described as Lots 23 and 24 Block A, Plan 7732R. A ten percent deposit is to accompany each tender and is to be delivered to this office by June 10, 1969.

The highest or any tender not necessarily accepted.

Bantam baseball to start

An attempt will be made Thursday night to form a Bantam baseball league in St. Albert.

Boys who will not be 16 before Aug. 1 should be at the diamond at Sir Alexander Mackenzie school at 6:30 p.m. complete with glove.

More than 40 boys graduated from Little Canadian

Baseball in the town last year and many have expressed a desire to play again this year.

It is hoped that a four-team league will be formed. As the league is starting strictly from scratch, any donations of old equipment, especially for catchers, will be greatly appreciated.

For further information phone Doug Millroy at 599-7860.

Legal Locals

Congratulations to Cecile Van de Walle for being named the 4-H Clothing Club efficiency winner and recipient of the T'Eaton Award, and to Marjoline Chamberland for being chosen as the club week delegate.

The fire department was called to the Chalfoux residence Friday to extinguish the fire that had started in their house. Mrs. Chalfoux thanks the firemen for their alertness and quick response that prevented the fire from spreading and also saved their home.

Mr. and Mrs. Lucien Montpetit attended the Knipfel of Columbus 59th Annual Alberta State Convention held in Calgary last weekend.

Remi Morin and Carmen Vandenhousten were feted at a shower last Saturday in the Community Centre. Their wedding will take place on June 14.

Some 40 boys and girls ranging from grades 5 to 9 volunteered for the 10 mile walkathon organized last Saturday to raise funds to buy equipment for a girls softball team. The groups effort and sore feet were well worthwhile, because they raised the sum of \$300. The organizers wish to thank all those who participated and especially the sponsors of all the walkers.

Oilers lose opener 5-0

Rain washed away any chance St. Albert Oilers had of scoring a victory in their opening game in the Oilfield Baseball League on Sunday afternoon.

Oilers were trailing Warburg Buffaloes 5-0 in Warburg when the rain came down in the bottom half of the fifth inning.

Further play was washed out and the game was declared a victory for Warburg as it had passed the 4 1/2 inning mark with the home

team ahead.

Gordon Kutzner started on the mound for Oilers but was relieved by Fred Ressler in the third inning as Buffaloes built a 3-0 lead.

Oilers collected four hits but couldn't put them together. Buffaloes had seven hits but put them around several walks.

Oilers next game will be Wednesday night when they will play host to Edmonton at Mission Park Diamond.

Betty Harrison track meet star

Running and jumping are just about as much a part of 16-year-old Betty Harrison's life as eating or sleeping. Betty, who would like to compete in the 1972 Olympics, trains three days a week with the Huskie Track and Field Club in Edmonton. She also works out on the grounds at Sir George Simpson School.

She's set sights on 1972 Olympics

It's another three years until the Olympics roll around again, but that doesn't stop a 16-year-old St. Albert girl from dreaming about them now.

Betty Anderson, whose long, lithe frame propelled her to four record-breaking finishes in the North Central Zone track and field meet at Sherwood Park on Saturday, has high hopes of making the Canadian team in 1972.

The timing may be just about right.

Betty, a member of the Huskie Track and Field Club in Edmonton, as a 15-year-old traveled to St. Lambert, Que., to try out for the team in the high jump last year.

She placed fifth in a field of 13, none of which met the Olympic standard.

Pack on four years of experience and she should be at her peak at 19.

"I'm going to keep training for them," Betty said Tuesday, indicating she would also be taking a shot at the British Empire Games in between.

The short summer has always hindered track and field hopefuls in Canada, but Betty is trying to beat this by working out three times

a week throughout the winter with the Huskie Club in the Kinsmen Field House.

Betty, the daughter of Mr. and Mrs. Elmer Harrison of 55 Garden Cres., began to take an interest in track and field upon coming to Canada from the United States with her parents six years ago.

Since that time she has pretty well filled the top of the china cabinet that sits in a corner of the living room in the Harrison home with gold, silver and bronze in the form of cups and medals from all over the province. There are quite a few ribbons, too.

"I don't know if she ever looks at them," Mrs. Harrison said Tuesday, "but we do."

Betty became a Canadian citizen in 1968. It was also the year she became a citizen of St. Albert.

In track and field competition, she has always previously gone as a representative of Edmonton.

She will be competing in the Alberta Schools Athletic Association championships in Calgary on Saturday.

"This time," her mother said, "she'll be representing St. Albert."

Sixteen-year-old Betty Harrison of Paul Kane High School established four records in the North Central Zone track and field championships at Sherwood Park last Saturday.

Not usually noted as a runner, she lowered the old mark of 12 seconds in the 100-yard dash to 11.9 and dropped the hurdles standard from 14.5 to 12.7.

In her specialty, the high jump, she raised the mark to four feet, 10 inches, from four feet, eight and one-half inches.

She added four inches to the long jump record, bringing it up to sixteen feet, one-half inch.

Competitors are only allowed to enter four events.

Betty's performance pushed St. Albert into third place in the meet designed to select a team to represent the zone in the Alberta Schools Athletic Association championships in Calgary this coming Saturday.

Strathcona finished first in the meet with 212 points and Westlock was second with 125. St. Albert had 97, Lac Ste. Anne had 86, Parkland had 85, Athabasca had 73 and Sturgeon had 60.

Eleven students from St. Albert won places on the

team and they will be part of a contingent of 90 that will leave for Calgary on Friday afternoon.

Risa Joly of Vital Grandin set a new record in the senior 880. Risa is still a junior but St. Albert team coaches didn't want her running against team-mate Valerie Hermanutz.

Valerie, however, didn't do as well as expected, fading to fourth. But she came on strong in the 440, placing second to catch a spot on the team.

David Boles of St. Albert High School was the only other local athlete to break a record. He boosted the intermediate boys' high jump mark to five feet, eight and one-half inches from five feet, seven and one-half.

Other St. Albert athletes to make the zone team: From St. Albert High, Gerald Byer, first in the junior boys' triple jump; Todd Cassidy, second in the junior boys' high jump; Rick Barry, second in the junior discus, javelin and pole vault;

Lorraine Wakefield, first in the senior girls' high jump;

Damian Bone, second in the junior boys' 880;

bands will give concert

The St. Albert Centennial school bands, under the direction of Mr. Jerry Wennes will present their annual spring concert next Wednesday evening, June 11, at the Sir George Simpson Junior High assembly room. Approximately two hours in length, the concert will begin at 7:30 p.m.

Both the junior and senior bands will perform from the repertoires they have built up during the past year's school program. The young musicians extend a warm welcome to the residents of St. Albert to attend their concert and no admission will be charged.

Linda Weber, second in the junior girls' 80 yard sprint;

From Paul Kane, John Rogers, second in the junior boys' 220.

Here, kitty! Here, kitty!

If that big cat's smart, it'll beat it because Mrs. Bridget O'Kell, new president of the Catholic Women's League, is about to give it a stiff shot to the head. Actually, the hi-jinks, and they were all of that, were part of the CWL's membership night held in the Parish Hall on Monday.

New president of the Catholic Women's League, Mrs. Bridget O'Kell, presents Past President Mrs. Arlene Borgstede with a pin in recognition of her two years service as president.

St. Albert youth hurt in car-scooter crash

A St. Albert youth suffered two broken legs Friday when the scooter he was riding was in collision with a car at the intersection of Sir Winston Churchill Avenue and Grandin Road. Lee Ripley, 18, of 27 Geneva Cres., is recovering in the General Hospital in Edmonton.

A passenger on the scooter, Shirley Johnson of 5 Salina Drive, was released after treatment for minor injuries. The car was driven by Mrs. Glenna Erickson, 12 Glenmore Cres. RCMP are still investigating.

CWL convention shows changing scope

Mrs. Bridget O'Kell, president, Mrs. Arlene Borgstede and Mrs. Terry Binette, committee chairmen, represented St. Albert branch at the Catholic Women's League convention for the Archdiocese of Edmonton, held this year in Edison. There were 155 registered delegates. Next year St. Albert will host the convention.

A special guest was Mrs. A. A. Boucher from Vancouver, second vice-president of the National CWL. She set the tone of the convention in her address when she told the delegates "We

must learn to serve, not only our immediate families but the whole family of men in the world." Mrs. Boucher also emphasized the importance of recognizing the dignity of all persons, whether poverty stricken natives in Peru, starving peoples in Biafra or our own Indian peoples in Canada.

The convention's discussions pointed up the new directions of the league as it moves toward greater ecumenical co-operation with other Christian groups with similar goals. The scope of the work being done is enlarging and CWL activ-

ities are gaining both in depth and in the wider range of services undertaken. The obvious spirit of youth pervading at the convention was a further source of satisfaction to the delegates, as they searched for new ways to make their work more meaningful in a rapidly changing society.

It is believed the convention next year will be the first of its size to be held in St. Albert and the local group is beginning to make plans for it with considerable enthusiasm.

RECREATION Hi-Lites

Further sessions of instructional classes will be held in July and August. The days for registration will be announced later.

The swim club got off to a good start on Tuesday evening. Bernie Luttmner, pool supervisor (who is also coach of the club), will welcome newcomers any evening between 6 and 7 p.m. This is not an instructional class and anyone wishing to join must be able to swim four lengths of the pool. There are openings in the Waterloo team for boys up to the age of 16; enquiries can be made at the pool. When registration is complete, Mr. Watt will be establishing regular practice times.

Registrations are coming in for the first Mile Swim of the season which will be held next Sunday at 9 p.m. As accommodation is limited, get your name in as soon as possible at the pool and avoid disappointment. Last year there was a waiting list for each Mile Swim that was held - and many people who thought they couldn't, did!

MEN'S SOCCER

The St. Albert Bruins take on Ritchie Canadians at the Paul Kane grounds on Friday evening at 7 p.m. Come

out and support your local team!

The Bruins are looking for new players for certain positions. If you're interested, you'd be welcome at any of the training sessions which are held on Tuesdays at Paul Kane. Or phone Gordon Beckwith.

BOYS' SOCCER

Games in the St. Albert Little Atom League had to be cancelled because of the weather. The only result to report is Don Hunt's team's win over Jim Drysdale's by a score of 1-0 on Tuesday, May 27.

The standings in the Premier League are:

	P	W	L	P
Spurs	2	1	1	3
Mustangs	2	1	1	2
Mosquitos	1	1	2	2
Slavedrivers	1	1	0	0

The game between the Mosquitos and the Slavedrivers arranged for last Thursday had to be rescheduled because of rain. On Thursday, June 5, the Slavedrivers meet the Mustangs and on Tuesday, June 10, the Spurs take on the Slavedrivers. Both games will be played at Paul Kane at 7 p.m. each evening.

Around Town

Plans for the annual walk-a-thon for St. Albert youngsters and work in progress at the park were major items in the agenda of the St. Albert Lions Club meeting Tuesday night. Chairmen Bill Webber and Bob Logan will have entry forms ready later this week for the walk.

Official opening date at Lions Park is timed to coincide with the walk-a-thon which will begin at the park June 28th. Barbecue pits are now ready and chopped wood will be available. Date for the senior citizens picnic will be set forward to sometime in July when the weather will be warmer.

The Kinsmen Club held their fourth annual "local businessmen's night" Monday at the Club Mocombo, playing host to an excellent turnout for the dinner meeting. Guests were given an account of the history of the club, and slides depicting some of the many aspects of kin service work were shown. The club also brought the businessmen up to date on plans for this year's Rodeo 108 - the major annual project of the St. Albert Kinsmen. The big days this year are June 20th, 21st and 22nd.

Plans are underway for a concert by the Edmonton Concert Band to be given at Lions Park on Sunday evening, June 15th. Watch for details when arrangements are finalized.

St. Albert Cubs will hold rally

The Landing Trail District will present its annual cub rally on Sunday, June 8, at Sir Alexander Mackenzie School grounds.

The rally was originally planned for Mission Park but the change was necessitated as the park is under-

going improvements.

The change will be more than satisfactory, scouting leaders indicate, as they will have use of the Braeside rink facilities.

The rally will start at 2 p.m. and close about 7:30 p.m.
